

## How to calculate the postage on your order

As from 12 December 2008, all orders will be charged a base rate plus a rate per kilo for the consignment's net weight. There are four different postage zones and three different types of postage: express, expedited and standard. All customers are responsible for paying their country's customs duty charges, if applicable.

Delivery / Zones*	UK	EU & US	Non-EU & Canada	Rest of World
<b>Express</b>	Next day By 9.00 am £20 + £0.33/kg	Next day By 9.00 am £20 + £2/kg	Next day By 9.00 am £20 + £3/kg	2 <sup>nd</sup> business day By 9.00 am £25 + £5/kg
<b>Expedited</b>	1-2 days By end of day £5 + £0.33/kg	2 <sup>nd</sup> business day By end of day £15 + £2/kg	2 <sup>nd</sup> business day By end of day £15 + £2.50/kg	3-4 business days By end of day £15 + £4/kg
<b>Standard</b> <b>Orders less than 3 kg</b> <b>Airmail - surface post</b>	3-5 days £1 + £1/kg	5-10 days £5 + £2/kg	5-10 days £5 + £2/kg	5-10 days £5 + £2/kg

\* Please note that the expected delivery time should be calculated once your order has been despatched by IMO Publishing.

For small orders, you might wish to choose "Standard" to benefit from the comparatively low rate per kg for the consignment's net weight.
