IMO SUPERVISOR’S AGREEMENT

Thank you for your support, supervision, and mentoring of a student extern. Please fill in the necessary information, initial each standard, and add any comments on this form. As an IMO supervisor, I agree to the following:

_______ Orientation: I will ensure that the extern receives an orientation, including a discussion of office procedures and confidentiality, and an overview of the work and expectations of the extern.

_______ Supervision: I have the authority, ability, and resources to ensure that the extern has a supervisor who will actively direct, monitor, and mentor him or her throughout the semester.

_______ Communication: I will inform the extern of the system for assigning work projects and ensure he or she is given clear deadlines and will receive ongoing guidance for managing the workload.

_______ Skills Development: The extern will be engaged in a substantial professional experience that includes multiple opportunities for performance, feedback, and self-evaluation.

_______ Assignments: The extern will be assigned work that is similar to that of an entry-level professional staff in the discipline concerned, including exposure to a broad range of professional skills. Assignments may include drafting documents, researching and writing memoranda, attending conferences or negotiations and observing or participating in meetings. Administrative work will be kept to a minimum.

_______ Feedback: The extern will be provided specific, individualized and timely feedback on their work.

_______ Observation: The extern will have opportunities to observe IMO meetings, delegate/staff/strategy meetings, and other appropriate professional activities.

_______ Opportunities for Reflection: The extern will meet with his/her supervisor, other members of the Division and staff to discuss his/her observations, experiences, and other issues relevant to the profession.

_______ Supervisor Accessibility: The extern and IMO supervisor will meet at least weekly. In addition to any standing meetings, the supervisor will be able to meet with the student extern as needed to provide support and feedback on assignments.

_______ Forms: I will comply with the school’s evaluation requirements, including reviewing any student self-assessments, completing evaluations, and providing feedback to the extern in a timely manner.

_______ Logistics: I will verify that the extern has a designated workspace and access to the tools (e.g., telephone, computer, library) and support reasonably necessary to complete assignments.

_______ Legal: Nothing in or relating to this agreement will be deemed a waiver, express or implied, of any of the privileges and immunities of the International Maritime Organization, including its officers.
