Webinar

Accelerating action against Wildlife Trafficking in international maritime supply chains

Monday, 21 September 2020
7:00-8:30am Washington D.C. • noon-1:30pm London • 2:00-3:30pm Nairobi • 7:00-8:30pm Beijing

Join us for a discussion on global wildlife trafficking through maritime transport supply chains as well as how governments, the IMO and the private sector can take action to combat this transnational organized crime.

Presenters will 1) provide an overview of illegal wildlife trade (IWT) in maritime transport supply chains; 2) introduce the proposal by the Government of Kenya to IMO to develop ‘Guidelines for the Prevention and Suppression of the Smuggling of Wildlife on Ships engaged in International Maritime Traffic’; and 3) highlight challenges and solutions of the private sector to curb wildlife crime.
