The following corrections should be made to the English text of Resolution A.534(13):

- page 7, paragraph 1.3.6, add a hyphen between the words "Near" and "coastal";

- page 7, paragraph 1.3.7, second line, the percentage should read 85% instead of 86%;

- page 11, paragraphs 2.3.1 and 2.3.2, reference to 14.5 metres and 11.5 metres should read 14.5 m and 11.5 m respectively.

The French and Spanish versions of the resolution are correct.
