3. REMINDS all STCW Parties of their obligations under STCW regulations I/9.4.1 and 9.4.2, and stresses the importance of full co-operation in response to requests for information by other STCW Parties and companies concerning the authenticity and validity of certificates and endorsements;

4. INVITES STCW Parties which recognize certificates issued by another STCW Party for service on board its ships, whenever they issue an endorsement of recognition with respect to certificates issued under the relevant provisions of the STCW Convention which were in force immediately prior to 1 February 1997 and, when in doubt, to consult with the issuing authority in order to confirm the authenticity and validity of the underlying certificate or endorsement and to show, in clear terms and as a minimum, the functions, capacity and limitations which apply in each particular case, regarding the underlying certificate;

5. FURTHER INVITES STCW Parties, which issue and endorse certificates of competency in accordance with the relevant provisions of the STCW Convention which were in force immediately prior to 1 February 1997, henceforth to consider including in these endorsements in clear terms the functions, capacity and limitations which apply to the certificate and its endorsement;

6. URGES STCW Parties to intensify their efforts, and to take all possible steps in accordance with STCW regulation I/5, to investigate cases and prosecute, or assist in the investigation and prosecution of, those found to be knowingly involved in the processing or obtaining of certificates or endorsements using unlawful means, including the holders of such certificates or endorsements;

7. URGES ALSO STCW Parties to intensify their efforts to eliminate the unlawful practices referred to above, and to expedite the exchange of information between the issuing Party and any other Party which has doubts as to the authenticity or validity of any certificate of competency or endorsement.
