07/07/2018 03:20 LT MALACCA STRAIT

While tug boat, Bintang Ocean 3 towing barge, Winbuild 2313 was underway, Singapore Police Coast Guard reported to Singapore Port Operations Control Centre (POCC) at 0130 hrs that two sampans were spotted alongside Winbuild 2313. The VTIS Central contacted the tug boat and the master replied that everything was fine. At about 0320 hrs, the Singapore Police Coast Guard again reported to POCC that the two same sampans were still following at the stern of Winbuild 2313. At about 0325 hrs, the tug master reported to VTIS East that four coils of tow line were missing from Winbuild 2313. Upon arrival at Changi Barge Holding Anchorage on the same day at about 0800 hrs, the Singapore Police Coast Guard boarded the ships and conducted an investigation. The crew was not injured.
