

Instructions for downloading a purchased E-reader file

1, Access your title by clicking on 'My Account/Downloads' then 'E-books, E-reader files & Subscriptions' on our webshop. You will then be redirected to our Virtual Publications site.

2, Within the Virtual Publications site click on the product link of your purchased title.

3, A pop up box will appear, click on the link to download our e-reader software called the 'IMO Bookshelf' (if you do not already have it) and download it. The software and any purchased titles will be locked to your computer.

In order to view your purchased title:

1. Download our e-reader software if you do not already have it.
2. e-reader: STCW, 2011 Consolidated Ed (KC938E) - Click on this link and save the file to your desktop. Open the e-reader software and use the 'Import eBook' button in the top left corner.
3. You will need your unlocking code which is:
READ-PWKY-VM3D-FHV3-XVEZ

For more detailed instructions click here.

4, Once you have downloaded our e-reader software click on the title hyperlink in point 2 below. Save this file to your desktop.

In order to view your purchased title:

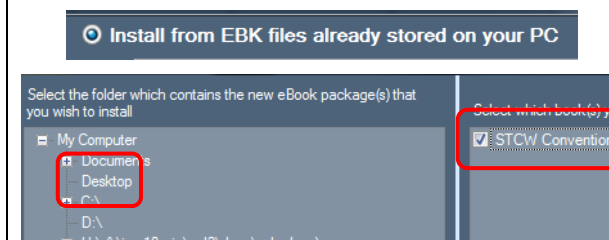

1. Download our e-reader software if you do not already have it.
2. e-reader: STCW, 2011 Consolidated Ed (KC938E) - Click on this link and save the file to your desktop. Open the e-reader software and use the 'Import eBook' button in the top left corner.
3. You will need your unlocking code which is:
READ-PWKY-VM3D-FHV3-XVEZ

For more detailed instructions click here.

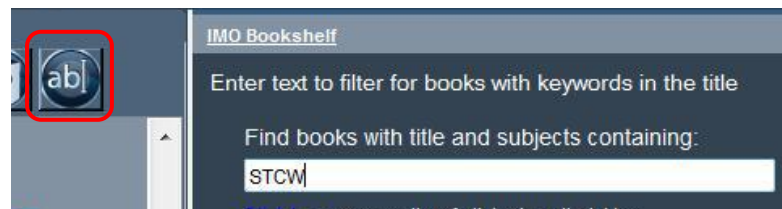

5, Open the 'IMO Bookshelf' using the icon on your desktop and click on the 'Import eBook' button in the top left hand corner. Make sure 'Install from EBK files already stored on your PC' is ticked.

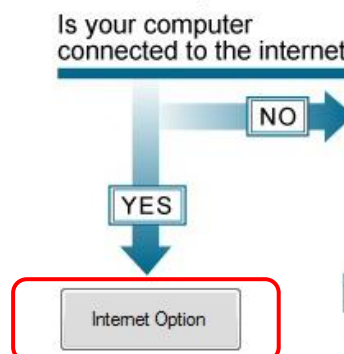

6, Make sure 'Install from EBK files already stored on your PC' is ticked then click on the 'Desktop' link and tick the product you want to download and click on 'OK'.

7, The software will be updated with the new title and will close and re-open to reset. You can either find your title on the home screen or use the 'ab' button to do a title search.

8, Double click on the correct book cover and choose the unlocking method 'Internet Option'.

9, Enter your unlocking code in the 'Licence Code' field (as supplied in the pop up box from point 3) and an email address and click on 'UNLOCK'. It only takes a few seconds and your title will be available to view immediately.
