Insert the CD in your drive and install.

Click on the link [www.imoactivate.com](http://www.imoactivate.com) or on the ‘Get Activation Code’ link to obtain your Activation Code.

The screen you utilise will depend on the product you purchased.

Enter the required details including the Advance Purchase Code (supplied by your distributor or on your order confirmation/receipt).

Click on ‘Get Activation Code’ to receive the code.

Once the website has generated your Activation Code please add it to the Activation Code box and click on ‘OK’ or ‘Activate’. You will now have access to the CD.

The screen you utilise will depend on the product you purchased.
