MSC.4/Circ.85
5 May 2006

REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

First quarterly report (January to, and including, March 2006)

1 The Maritime Safety Committee, at its sixty-fifth session in May 1995, instructed the Secretariat to issue, as from 31 July 1995, monthly reports of all incidents of piracy¹ and armed robbery against ships² reported to the Organization and, in addition and on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents was increasing or decreasing and advising on any new feature or pattern of significance. Further and as instructed by the Committee (MSC 75/24, paragraph 18.41), the Secretariat has, since July 2002, started classifying separately any reported incidents of piracy and armed robbery **at sea** (international or territorial waters) *vis-à-vis* acts of armed robbery allegedly committed **in port areas**, as well as **attempted** acts of armed robbery.

2 Annexed hereto is a composite report covering all reported incidents of piracy and armed robbery against ships which occurred between 31 December 2005 and the end of March 2006, and a regional analysis thereof, including a distinction between acts of piracy, acts of armed robbery against ships and attempted attacks.

3 The areas most affected over the period under review were, once again, South China Sea (25 incidents, up from 23 compared with the last quarterly report), East Africa (13 incidents, down from 17 reported last quarter), the Indian Ocean (10 incidents, no change from last quarter), South America (5 incidents in total, 4 incidents in the Pacific Ocean area and 1 incident

¹ "Piracy" is defined in the 1982 United Nations Convention on the Law of the Sea (UNCLOS) (article 101) as follows:

"Piracy consists of any of the following acts:

- (a) any illegal acts of violence or detention, or any act of depredation, committed for private ends by the crew or the passengers of a private ship or a private aircraft, and directed:
 - (i) on the high seas, against another ship or aircraft, or against persons or property on board such ship or aircraft;
 - (ii) against a ship, aircraft, persons or property in a place outside the jurisdiction of any State;
- (b) any act of voluntary participation in the operation of a ship or of an aircraft with knowledge of facts making it a pirate ship or aircraft;
- (c) any act inciting or of intentionally facilitating an act described in sub-paragraph (a) or (b)."

² "Armed robbery against ships" is defined in the draft Code of Practice for the Investigation of the Crimes of Piracy and Armed Robbery Against Ships (resolution A.922(22), Annex, paragraph 2.2) as follows:

"Armed robbery against ships means any unlawful act of violence or detention or any act of depredation, or threat thereof, other than an act of "piracy", directed against a ship or against persons or property on board such ship, within a State's jurisdiction over such offences."

in the Atlantic Ocean area, up from 4 reported last quarter), West Africa (8 incidents, up from 3 reported last quarter) and the North Sea (1 incident). Most of the attacks were reported in port areas while the ships were at anchor or on berth.

4 During the period under review, 1 crew member was killed, 61 crew members were held hostage, 15 crew members were injured/assaulted and 4 vessels were hijacked. In several of the incidents reported, the crew were violently assaulted/attacked by individuals or groups of two to ten persons carrying guns or knives.

5 The total number of acts of piracy and armed robbery against ships so far reported to the Organization is 4,055 out of which 62 occurred during the first quarter of 2006. Of these 62 reported acts, 18 constituted alleged attempted attacks.

**REGIONAL ANALYSIS OF REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS
WHICH WERE REPORTED TO HAVE BEEN ALLEGEDLY COMMITTED DURING THE FIRST QUARTER OF 2006**
